VIGNETTE 1969

**ANNUAL PUBLICATION OF THE SENIOR CLASS
ARTS HIGH SCHOOL, NEWARK, NEW JERSEY**

DEDICATION

PAT A. RESTAINO
B.S., M. ED.

The Class of 1969 proudly dedicates this book to Mr. Pat Restaino who, until last June, 1968, served as our Vice-Principal. During the years he spent with us he was a conscientious administrator and a sincere friend who centered his attention on each individual student. Always ready to help change a schedule or offer personal counsel, he has left us warm memories of friendly chats in his office, between classes, or during lunch periods. Mr. Restaino dedicated each day to doing what he could to preserve and maintain the high standards of our school.

We sincerely wish Mr. Restaino every happiness in his position as Principal of Barringer High School. We shall always be proud of his achievements and shall continue to regard him as a member of the Arts High family.

ADMINISTRATION AND FACULTY

HARRY LEWIS, Ph.D.
Principal

The high academic and cultural standards which have made Arts High a functioning example of a truly fine academic institution may be in part, attributed to the wisdom, experience and patient guidance of our principal, Dr. Harry Lewis.

One evidence of his concern for the students at Arts has been his establishment of a quiet study hall available during the lunch periods for the use of conscientious students. Popular books and magazines are also provided so that students may spend leisure time pleasantly and profitably.

Dedication, sagacity, and dependability are familiar characteristics of Dr. Lewis. He is available for counseling and discussion at almost anytime and is often seen in classrooms questioning, speaking, or teaching. His warm smile, dignified personality, and friendly interest have won the respect and admiration of every student, faculty member, and visitor with whom he has come in contact.

Arts High is proud to claim him as its own.

THERESA S. DAVID
B.A., M.A.
Vice-Principal

Miss David, the latest addition to our administrative staff, has assumed the duties of Vice-Principal. Prior to her appointment to this office, Miss David served on our teaching faculty.

A graduate of East Orange High and Montclair State College, she is the holder of The Margaret Holt Language Award and is also a member of Kappa Delta Pi.

Her graduate study beyond masters was done at the University of Mexico, with additional study at Cornell and Rutgers.

For many years she taught Spanish and combined subject matter with an understanding and warmth that is so characteristic of her.

A truly wonderful person, her bubbling personality, her strength of character, and her love of youth have made her one of our finest and most esteemed teachers. We are certain that these same qualities will make her excel in her administrative career.

To Miss David, we, the class of 1969, extend our congratulations and sincere best wishes for future years.

IN MEMORIAM

SADIE B. YUKER, B.S., M.A.

Librarian

All Arts High students mourned the passing of Miss Sadie Yucker who had been a dedicated librarian at Arts High for many years. Patient, understanding, and a source of inspiration to all of us, she made a valuable contribution to that indefinable "something special" in the academic and cultural atmosphere at Arts High School.

Miss Sadie Yucker of 25 Van Velsor Place, Newark, died on November 12, 1968 at St. Mary's Hospital in Orange.

Miss Yucker was born in Newark and was raised in Pennsylvania and Long Island. She received her B.A. degree from New York University and her M.A. from Columbia University.

She was an English teacher at Weequahic High School and a textbook librarian for the Newark Board of Education before becoming a librarian at Arts High School ten years ago. She was a member of the executive board of the Newark Teachers Union.

Miss Yucker also served as a member of several Jewish philanthropic organizations. She had a deep appreciation for the arts and for many years belonged to The Newark Museum and The Modern Museum of Art in New York.

She leaves a brother, Harold Yucker of Long Island and a sister, Mrs. Bertha Epstein of Newark.

CLASS OF 1969

SENIOR CLASS ADVISOR

ALFRED GENTILE, B.S., Mathematics

We, the Senior Class of 1969 are proud to have as our advisor, Mr. Alfred Gentile. More than just an advisor, he has really jumped the "generation gap".

Whether he is at a senior class council meeting, at a blackboard solving equations, or at a dance waltzing across the ballroom floor, Mr. Gentile has always performed well.

No one person has dedicated as much unselfish effort to the Class of 1969 as he has this past year. His warmth and friendliness, his perseverance, and his integrity are only a few of his many traits we have come to respect and admire.

We thank him for enduring aggravations, frustrations, small wars, financial crises, "Senioritis," personality problems, and other maladies so often associated with candidates for graduation.

SENIOR SAGA

Ah! "69" Now that is a year.
Nothing's been as great since "65" was here
And the Class, yes, this huge assembly
Of fine men and women has come to the place
where they can be
Part of Arts High's tradition and history;
But how we did it is still a mystery!
We'd all do fine if only the teachers'd let us alone,
Sometimes we did homework—But never at home.
We'd always have headaches, grumbles, and tests.
But somehow, we managed to do our best.
All work and no play, though, is not sound advice
And so we began class activities — How nice!
Our Junior Class picnic was good — you could tell
By the time we finally disembarked
We were glad to be anywhere — even Rockland
State Park.
Maybe our Junior Prom was never begun
But our skating parties were always fun.
Our Senior year has really been something!
And listen to us — we can tell you one thing:
Our discotheque dances were out of sight,

The Catskills trip — wow! what a night.
Dancing, swimming, eating, sleeping, to
everyone's delight.
And now, here we are — all 180 of us
Each with that little something — that extra plus
Which says that we're ready for society
And the responsibilities that go with seniority.
Yes, we've had frustrations like others before us
But we've had Stephanie and Mike to provide some solace.
With humor provided by our class favorite, Cheryl B.
And the help of our faithful leader, Mr. G.
We've struck a notch in Arts history.
We now have our prom to look forward to
And, finally, when graduation is through
We can truthfully say that we really worked hard.
If we hadn't, we wouldn't have come this far.
When we return on alumni days,
We'll remember all the little means and ways
That we survived the fateful June 21st
To get our diplomas after all the worst.
Then we'll all go out and join the proud line
'Cause we're the Class of "69".

ACTIVITIES

AFRICAN CULTURE CLUB

The African Culture Club, under the direction of Miss Hammond, is one of the newly formed clubs of 1968-69. Its purpose is to explore the culture of past and present Africa, to discover its contribution to contemporary western civilization, and to establish its relationship as mother and sister to the culture of Black Americans. To the students who take pride in their heritage, the club is a means of identity, and reassurance. Members enjoy programs about fine arts, music, dances, literature, history, geography, present politics, and social structures, as well as films, slides, records, and guest lecturers.

In the future, for the benefit of the starving Biafran children, they are planning an African Culture Show, consisting of plays, dances, singing, poetry reading, and a fashion show.

Row one: Andrea Roberts, Robert Douglas, Donna Sanders, Belinda Smith, Elizabeth Harris, Roy Gillenwaters. Row two: Miss Hammond, Lawrence Martin, Randy Smith, Carl Strand, Larry Robinson, Gail Motley, Sandra Felton.

BAND

Parades, concerts, rehearsals, and awards are but a few of the numerous activities of these musicians. This is one of the many groups at Arts in which the members work very hard to achieve organizational success. The trophies, letters, admiration, and outside invitations that the band has received are evidence of this unusual teamwork. The greatest aspect of the band is the closeness of the members and its conductor and the respect that each one has for the other. Behind every excellent band is an equally outstanding conductor, and our conductor, Mr. Singer, has succeeded in bringing out the best in the band. Without his direction, the band could not have continued in the Arts tradition of progressing excellence in music.

Kneeling, left to right: Jill Rucker, Sandra Byers, Hilda Burnett. Standing: Ellen Nicholas, Michelle Suber, Carrie Quattlebaum, Sharon Talley, Charlene Hairston, Elaine Dallas, Deborah Sloane, Miss Davis.

BOWLING

The Bowling Club, now under the guidance of Miss Davis, meets each Tuesday from three to five-thirty at the Bowl-O-Mat. To be eligible to join, a girl must have the consent of her parents and must obtain an accident insurance policy. At the end of the year, awards are given to those girls who show the most improvement and those with the highest scores.

CHESS CLUB

The Chess Club is open to all students, beginners, and pro's desiring to improve their techniques. Chess is a captivating game and each player finds the game challenging as well as intellectually stimulating. Mr. Calvin is the club's advisor.

CHORUS

If anything is outstanding at Arts High, it is the chorus. The programs that these members present add to the cultural experience of all the students. Made up of one third of the student body, the chorus, under the leadership of Mr. Pickett, rehearses to maintain and perfect their high standard of music. The superb contributions made by this group at the shows, Spring and Winter concerts, and assembly programs are always eagerly anticipated by Arts High audiences.

Standing: Beatrice Rodriguez, Nilda Ceden, Linda Telesco, Mrs. Tso, Virginia Riviera, Marie Caskey, Eva Gonzalez, Yvonne Wise. Kneeling, left to right: Rodney Swan, Dante Defloro, Charles Pack, Luis Ceden, Eric Jones.

DANCE CLUB

Dancing comes naturally to nearly everyone, and more and more so to students at Arts High. Under the direction of Mrs. Tso and with the co-operativeness of the selected members, the folk dance group has presented delightful performances at various grammar schools in our city. The striking costumes made by the members themselves, the liveliness, and the desire to perform engendered spontaneous applause from the student audiences who make no secret of their delight. Art's High's faculty and students look forward every year to seeing this talented group perform. As for underclassmen, the dance club offers them a marvelous opportunity to join the crowd. "Come dance with us!"

THREE DIMENSIONAL ART CLUB

The Three Dimensional Art Club was organized for the purpose of providing students with an opportunity to work with materials they don't ordinarily use in regular classes. The Club is a new addition to our club calendar and is directed by Mr. Carden, who joined the Arts High faculty this year. Club membership is open to any interested student. Sculpture, puppets, and pottery are but a few of the pieces created by these artists.

Row one: Shirley Mills, Randi Myers, Maria Denaro, Astrid Terszt. Row two: Della Moses, Vincenza Terlizzi, Linda Lovallo, Joan Otero, Rocco Dilco, Mr. Carden, James Allen, Michael Barbarotta.

GIRLS' GLEE CLUB

Membership in the Glee Club is open to all girls who enjoy singing and can assume the responsibilities of performing artists. With Mrs. Shapiro as director, they meet twice a week for a lively and melodious rehearsal. The girls receive cycle marks and thereby earn credits toward graduation.

Their repertoire includes American and foreign folk songs, selections from popular Broadway musicals, and many old classical favorites. The members perform annually at the Winter Fair, the Spring Concert, and at special assembly programs.

FENCING CLUB

The Fencing Club, re-introduced last year, has been making wonderful progress under the expert guidance of Mr. Hueson. Twenty members (boys and girls) practice diligently three afternoons each week. Every session is at least one hour or more. The members have learned the fundamentals and have gained some competitive experience against other high school groups.

JUNIOR ORCHESTRA

Row one, left to right: Carolyn McMillian, Vergalene Hill. Row two: Mrs. Friedman, Bernita Brown, Cynthia Robinson, Richard Golden, Katrina James.

LIBRARY GUILD

The Library Guild consists of students who are willing to check books in and out, cover books, stamp magazines and otherwise help our librarian, Miss Friedman. The students who work before or after school all agree that this type of work is very profitable in that it gives them the responsibility for and appreciation of books. This experience also enables them to gain a knowledge of library services as well as the varied duties of a professional librarian.

Row one, front to back: Margaret Leskiw, Donald Leskiw. Row two: Eric Wilkerson, Denise Williams, Frank Jordan. Row three: Linda Tedesco, Candace Williams, Robert Douglas. Standing: Mr. Bromberg.

MATH CLUB

The Math Club, under the supervision of Mr. Bromberg is interesting and a great deal of fun. Activities include special reports by members, and solving puzzling questions which cannot be answered fully during class periods. The only requirements for membership is an interest in mathematics. The Math Club has increased our knowledge of the importance of math in the world today.

NATIONAL HONOR SOCIETY

The function of the National Honor Society is to honor those students who show consistently excellence in their scholarship, character, and service. The National Honor Society serves the school in various ways. This year's members set up a tutoring program and also supervised the reading room during the lunch periods. The members are elected by the entire faculty on the basis of their scholastic records at Arts High and also on the basis of service to the school, leadership potential, and character.

The students at Arts look forward to the performances put on by the orchestra each year. This organization is one in which the music students with ability are given the opportunity to learn new music and at the same time, prepare to supply entertainment for their friends and families at various functions.

Under the supervision of their talented and most respected conductor, Mr. Pesile, the group spends many tedious hours rehearsing for the enjoyable programs.

During the year the orchestra takes part in the entertainment for the Winter Fair, the Spring and Winter Concerts, assembly programs, and the Kiwanis luncheon.

ORCHESTRA

PHOTOGRAPHY CLUB

The Photography Club, under the supervision of Mr. Benevento, offers an opportunity for students interested in photography to develop their interests, talents, and abilities. Students experiment with various photographic techniques and learn the procedure for developing a picture. The club members also play an important role in the publication of the yearbook by designing the cover, providing page layouts, and taking pictures of school activities.

RED CROSS CLUB

Our Red Cross has long been a tradition at Arts and has proved to be a club of active members who work in a jovial atmosphere. They have displayed great dedication in the performance of a variety of activities and have brought happiness to young and old. Making place mats, Christmas stockings, table center pieces, pants and shirts for burned out families, directing cookie drives, and collecting eye glasses for the needy are but a few of their many contributions to the welfare of the citizens in our city. Mrs. Hiller supervises the work of these enthusiastic, concerned students.

Counter clockwise, seated, left to right: Arlene Restaino, Stephenie Glover, Alida Moscone, Kathy Riley, Gail Cooke, Sharon Doughtie, Vandera Robbins, Odessa Seymore, Alice Mobley, Katrina James, Deborah Brody, Harriet Staller, Carol Fortney, Karen Brody, Cynthia Robinson. Standing: Mrs. Hiller, Denise McPherson, Brigette Walker, Rita Robinson, Vergeline Hill, Patricia Kelley, Claudette Ayers.

SCOPE

"Scope", the school newspaper, contains many interesting articles including sports, fashions, chatter, art, and music. This year's staff, mostly seniors, contributed new ideas to the paper. Our newspaper has a demanding schedule to meet, but we are grateful to the editors and reporters for their enthusiasm and hard work in publishing a paper which represents the entire school. Mr. Durkin is the advisor for this group.

Seated, left to right: Ellen Nicolas, Linda Telesco, Denise Greene, Barbara Fisher, Rocco De Leo, Allison Freid, Deborah Hodge, Natalie Szkwardo, Pat Gregory. Standing: Priscilla Blackwell, Kathy Wloch, Deborah Mulling, George Kontos, Harriet Staller, Barbara Rice, Laurel Jablonowski, Decoyise Brown, Mr. Durkin.

STAGE CREW

Arts High Stage Crew boys are always ready when needed. The "men behind the scenes" are under the direction of Mr. Pickett. Their responsibility is to see that the lighting, arrangement of scenery and sound effects are all in order for the various assemblies. We would like to commend them for having done an excellent job this year.

Row one, left to right: Don Leskiw, Russell Keene. Row two, left to right: James McAdams, Tom Sierant, James Soldo.

STUDENT COUNCIL

Arts High's Student Council is the backbone of the student body. This year, under the competent supervision of Mrs. Rich, the Council has been very active in answering the students' questions and satisfying their needs. At meetings held every second Wednesday representatives have the opportunity to express their opinions on any subject.

This year the Student Council has had many new activities added to the old traditions such as the successful Halloween Party, the Alumni Day, and Forgiveness Day. The members have also sold shakers, bookcovers, and Arts High buttons to help raise money for the student body of Arts High. These numerous activities are very profitable because of the enthusiastic support of the entire school population.

Row one: Stephanie Glover, Cheryl Bradley, Sharon Jones. Row two: Denise Hill, Lynette Cook, Ina Little, Myra Hubbard.

TWIRLERS

Baton twirling was introduced to Arts High last year by Mrs. Morgan. This year the group has been coached by Miss Abos. Hard work, cooperation, and loyalty have produced a good working unit. Each member is so dedicated that nothing interferes with her practice and her progress. Mastering the choreography of baton twirling routines requires highly developed skills based on constant training and practice. The group performs in parades and at one or two school club meetings.

Seated, left to right: Linda Perry, Denise Day, Toni DeVonne, Earlene Campbell, Beverly McNeil. Row two: Myra Franklin, Regina Sales, Cheryl Pullin, Cheryl Bradley, Robin Ratiner, Leonora Reeves, Yvonne Johnson, Olive Smart. Row three: Linda Captain, Regina Young, Marilyn Gaynor.

GIRLS' VOLLEYBALL CLUB

The Girls Volleyball Club meetings are held during the winter months directly after school. The advisor is Mrs. Donovan who shows the girls the techniques and skills necessary to success in playing. She makes her girls feel confident and secure whenever they participate in a game and constantly stresses the importance of keeping in practice. Swift, undelayed actions are a part of the game which her girls love. They enjoy playing and therefore play well.

Row one: left to right: Gloria Cooper, Lucille Mondalto, Irene James, Beverly Clemons, and Denise Mills. Row two: Belinda Miller, Priscilla Blackwell, Cheryl Bradley, Danita Smith, Elizabeth Wielgus, Verma Fortenberry, and Denise Hamilton. Row three: Oweedia Livingston, Harvey Freeman, Miss Abos, Decoyise Brown, Katrina James, and Brenda Miller.

VIGNETTE STAFF

Standing, left to right: Mr. Benevento, Joseph Accardo, Deborah Mulling, George Kontos, Maggie Diaz. Seated: Helen Krawczyk, Jina Donnelly.

Left to right: Richard Von Ende, Maggie Diaz, and Jina Donnelly.

The Vignette, our official yearbook here at Arts High, serves as a record of all the past activities and creative efforts of the entire school.

Under the skilled leadership of Miss Abos, the literary staff members gather information, compose the personal write-ups, club and sports reports, together with other required copy. Mr. Benevento and his staff of Art students handle the cover design, layouts, and all pictures. Both teachers supervise the distribution and circulation of the book.

Because it also serves as a personal memento to the seniors, the Vignette has usually become the treasured keepsake of the graduates.

SPORTS

BASEBALL TEAM

The 1968 baseball season was sparked by good pitching on the part of Mike Catapano and Bruce Davis and by a strong team effort both on the field and at the plate. Despite a record of six wins and eleven losses the Arts High School Team always played well when the competition was rough.

Highlighting the season was the 13-1 romp over Central and a game played against Barringer, another highly rated city league team in which Arts led until the last inning when Barringer scored the tying run. The game ended in a 1-1 deadlock and was called because of darkness. The average .500 qualified Arts for the state tournament.

With the graduation of Oswaldo Mercado, Bruce Davis, and Marvin Byers, last year's outstanding senior players, the 1969 team is expected to be led by Mike Catapano, David Tucker, George Troupe, James Fryer, and Richard Von Ende, junior members of the squad, and also a sophomore, Mike Berardi.

The basketball team of Arts High has displayed great sportsmanship. Although not as good as last year's team, they played with a go-get 'em spirit. Mr. Salley, our new coach, helped the boys to sharpen their skills, learn new plays and techniques. The players spent long hours on the gym floor trying to perfect their defensive and offensive plays. Assistant Coach Diaco encouraged the boys to achieve a winning combination and was a great morale builder. This year we will be losing some of our leading players including Roger Curry (Co-Captain), Erwin Ponder (Co-Captain), Ernest Tweedle, George Troupe, and Miquel Quinones.

This soccer year was the best year for the Arts High Soccer Team. The team ended the season with a record of five wins, five losses, and three ties.

The team started the season playing Bloomfield. At half time the score was 2 to 0, Bloomfield's favor but the Arts didn't give up. Captain Roger Curry scored 2 goals to tie the game and in the fourth period Jacob Simmons kicked the third goal for Arts, winning the first game of the season!

The team this year beat and tied schools that had been too formidable in past years. They tied Central (to whom we've never lost a game), and Weequahic. For the first time in soccer history, Arts beat Irvington Tech.

Two scoring records were set up by Captain Roger Curry: one, an individual record of four goals in one game; the other record, 13 goals for the season.

The five wins, five losses, and three ties is the best record and the first non-losing season for Arts High's Soccer Team. This may be the start of a new era for the team. This year was their first non-losing season, and they look ahead to their first winning season!

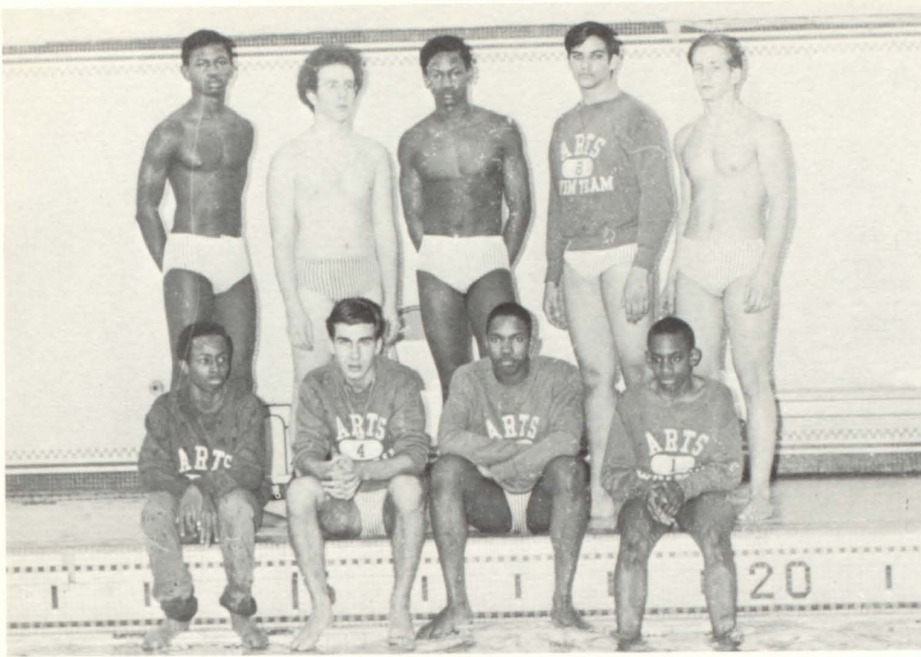

Coach Nowich has reason to be extremely proud of his boys.

SWIMMING TEAM

Like McNamara's band, although we were few in number, we were the finest in the land. Four returning lettermen, Dave Tucker, Carl Acosta, Eric Berzon, and Joe Warren, gave us a sound nucleus. As the season developed they were ably assisted by Bob Stasiak, Romero Knight, and Wilford Lowther. The incoming freshman class contributed two future stand outs, Mark Tucker and Donald Mobley.

The season's opener proved to be an indication of a successful season as we sank South Side easily. The next few meets were disappointing but the team never quit. Consequently, the second half of the season saw our efforts produce a 4-2 record.

On Feb. 26, the City Meet was held and we had only 5 entrants. Despite our numerical disadvantages, we came away with seven medals including two for first place.

Look before you leap!

Many of the liveliest and most active girls in Arts are the members of the Tennis Club. Under the supervision of Miss Meyerson, their most able instructor, the girls practice twice a week in West Side Park and learn the rules and techniques of this fun sport. Even though the girls aren't in competition, they are very enthusiastic and have the advantage of keeping in good physical shape. Not all of the girls will succeed at becoming pro's, but they all will learn the importance of teamwork.

BOYS' TENNIS

Left to right: Co Deeds, Ronald Fladger, Jim Soldo, Roger Tucker, Coach Flaherty, Steven Halpern, Atno Smith.

The Arts High Tennis Team experienced a mediocre season in 1968. Under the guidance of our new coach, Mr. Flaherty, the boys salvaged a 3-3 season, with victories over Barringer, West Side and Central and losses to East Side, Vailsburg and Weequahic.

The season was brightened by the emergence of freshman Steve Halpern as one of the outstanding players in the City League. Senior Paul Bennett, who captained the team, also played well, as did the first doubles team of Eric Berzon, Junior and James Herbert, Senior. Eric and James were undefeated until the City Championship Tournament.

The outlook for next year is bright. With the return of Steve, Eric, and last year's reserves, the team is hoping to jump from last year's tie for third to a City Championship.

Coach Flaherty holds a conference with the big four.

The Arts High Track Team, though still relatively small compared to other city teams, turned in a record of 4 wins in 1968, a total of 3 more than the previous season. Arts High placed third in the Vocational-Technical Track Meet and accumulated a total of 9 points in the Newark City Meet.

Track is an individual sport rather than a co-operative or team sport. Training starts in March which is usually one month before the dual meet season opens. Calisthenics and extensive running are part of the schedule for all team members.

This season 2 new records were set: one by Frank Jordan who ran the 440-yard dash in 53.3 seconds; two by Donald Warren who set a new distance for the long (broad) jump at 20 ft. 7 in., and tied the school's high-jump record at 5 ft. 10 in.

Other outstanding sportsmen were Kenneth Daniels and Paul Smith.

Our peppy, bouncy cheerleaders with their eye catching uniforms, marvelous school spirit, and enthusiastic yells always perform beautifully on the playing floor. They work very hard to gain places on the teams and practice long hours to prepare for their performances at all our basketball games. They are a credit to the school and good morale builders for the teams. Winning or losing, they display good sportsmanship. Miss Ruth Abos serves as advisor for both the Varsity and the Junior Varsity squads.

PHYSICAL FITNESS

Headed by Mr. Lang, the Physical Fitness Club members specialize in gymnastics. The Arts High boys who have the highest scores in the school will participate in a Fitness Meet at Newark State College where they'll compete against boys from other high schools.

The group also presented a special program at an assembly in May. Last year Miguel Quinones, a junior, achieved the Expert classification.

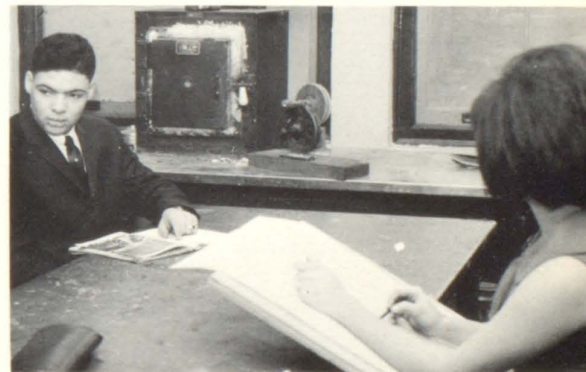

Row one, left to right: Otis Chancey, Lawrence Hamm, Dennis Hall, Tony DePascale, Mike Crooms, Miguel Quinones. Row two: Mr. Lang, John Pope, Jonathan McDonald, Wayne Pendleton, Earl Bulett, Willie Sinkler.
